And

Nandini Agro Industries

C. Background and Purpose

Directorate General of Training (DGT), Ministry of Skill Development & Entrepreneurship (MSDE) is responsible for co-ordination of all Skill Development efforts across the country, removal of disconnect between demanded supply of skilled manpower, building the vocational and technical training framework, skill up gradation, building of new skills, and innovative thinking not only for existing jobs but also jobs that are to be created.

Industrial Training Institutes (ITI) are training institutes which offer range of vocational /skill training courses covering large number of economic sectors with an objective to provide skilled work force to the industry as well as self-employment of youth. The training courses have been designed to impart basic skills and knowledge in the trades so as to prepare trainee for employment as a semi-skilled worker or for self-employment.

To bridge this, disconnect between ITI trainees' learning outcomes and the industry requirements, the Ministry of Skill Development & Entrepreneurship (MSDE) introduced the scheme "Dual System of Training" (DST) wef. August 2016 session. Objective of DST scheme is to enable industries and establishments to partner with Government and private it is for conducting training programmed under high employability courses so as to fulfill their skilled manpower requirements. The DST is an amalgamation of theoretical training imparted through ITIs and practical training imparted through the industry. DST helps enable Industry linkages and provide hands on experience to students on industries latest/updated technologies.

Under the DST scheme, the courses are conducted to meet the skilled work force requirement so find us try so that after completion of training, the trainee who are awarded National Trade Certificate (NTC) under the Schemes have an edge over regular ITI pass outs in terms of employability and employment opportunities in Industry. ITIs may conduct courses under DST scheme in:
